To the Minor Seeking a Work Permit:

Attached are a *Principal's Statement* (which is necessary for year-round employment but not for summer work only), *Parent Approval* form and a *Statement of Intent to Employ* required for a work permit. Please return these forms to our office, completed and signed by each individual, along with a *copy of your birth certificate* and a *copy of a current physical **dated within the last 12 months of the day on which the work permit will be issued***. A secretary will then type your work permit at no charge while you wait. If you do not have a current physical, one will be needed before a work permit can be issued.

A work permit from this office can only be issued for employment within the State of Illinois. For employment outside the State of Illinois, you will need to contact the Department of Labor in that state for its rules and regulations.

Also, a copy of the Illinois Department of Labor's list of hazardous occupations and hour restrictions is attached. The four major restrictions are 1) no open alcohol on the premises (exception: private clubs and fraternal and veteran organizations), 2) no bodily fluids, 3) no dangerous chemicals and 4) no dangerous machinery. Please be sure that your intended employment is not prohibited.

If you have any questions, please do not hesitate to call me at 618-939-5650.

Sincerely,

Monroe-Randolph Regional Office of Education

# WHAT YOU NEED TO KNOW TO COMPLY WITH THE CHILD LABOR LAW

**Child Labor Law Information: 312-793-2804 Child Labor Hot Line: 800-645-5784**

The Illinois Child Labor Law (820 ILCS 205/1 et seq.) regulates the employment of minors under the age of 16 years of age and requires all minors to have employment certificates.

The Superintendents of Schools or their duly authorized agents issue employment certificates.

### HOURLY RESTRICTIONS

1. When school is in session, children 14 and 15 years of age may work:
  - Up to 3 hours per day;
  - Up to 24 hours per week, and
  - The combined hours of school and work may not exceed 8 hours per day.
2. When school is NOT in session (including summer vacations, holidays and weekends), children under the age of 16 may NOT work.
  - More than 8 hours per day;
  - More than 6 days per week; nor
  - More than 48 hours per week.
3. Daily hours of work may not be before 7:00 AM or after 7:00 PM except between June 1<sup>st</sup> and Labor Day when working hours may be extended to 9:00 PM.
4. A scheduled meal period of at least thirty (30) minutes must be provided no later than the fifth consecutive hour of work.

Employers of minors must post a schedule stating the hours of work and time of the lunch period. The employer must also furnish any minor she/he intends to employ with a statement describing the specific nature of the work to be performed and the hours and days the minor is to work. The minor must present this statement to his/her school principal when making application for an employment certificate, along with a copy of his/her birth certificate. The minor must be accompanied by a parent or guardian.

When both the Illinois Child Labor Law and the Fair Labor Standards Act child labor provisions cover an establishment, the stricter of the two laws will prevail.

The Illinois Child Labor Law does not apply to the sale and distribution of magazines and newspapers at hours when the schools of the district are not in session; nor to the employment of a minor outside of school hours in and around a home of an employer when the work is not business related; nor to the work of a minor 13 or more years of age, in caddying at a golf course nor to minors 12 and 13 years of age employed as officials at certain sports activities.
